Message from your local Inspector, Ed Brown

Over the last month Burglary business and community offences have been steadily rising in the rural areas with business units broken into, tack stolen from riding stables and multiple thefts from a Lorry storage facility near Fakenham.

Residents are asked to be vigilant regarding suspicious vehicles and persons in the area, take down vehicle indexes just in case but do not challenge the persons yourself, call 101 to report or 999 in an emergency if a crime is in progress.

Message from your Engagement Officer, PC Pete Davison

I am often asked "When should I call 999"? Hopefully the following advice will help. You should always call 999 if: you or someone else is in immediate danger; if the crime is in progress; or, you need police help immediately.

This could include: Someone using violence or threatening violence; If there is a danger to life; Serious damage is being or could be caused to a property; A potential criminal has been disturbed or stopped; A road traffic accident where someone is hurt or a danger is being caused to other road users.

If the matter is not an emergency, please dial 101 or report through our website using one of our online forms > www.norfolk.police.uk/contact-us/report-it

Pete.
