Message from your local Inspector, Ed Brown

During the last month there has been a theft from jewellers in Fakenham. The suspect has been identified and there has been a media release to appeal to the public with help in tracing the wanted male. A crime series has developed across some areas in North Norfolk concerning Catalytic converter thefts as well as business thefts on Industrial premises. As a result there will be an increase in rural patrols to these areas and people are encouraged to report any suspicious activity. There has been some ASB around Fakenham and local officers will be working with beat managers and the operational partnership team to ensure this is dealt with positively. Over the last couple of weeks there have been thefts of protected flora species (snowdrops, bluebells). A vehicle of interest evaded Police and the public are again asked to call in if they see anything suspicious. The last SNAP was unfortunately cancelled due to Officer sickness, but the next meeting is to be held on 18th March.

Further to last month's message about when to call 999; using 101 for situations that do not require an immediate police response helps keep 999 available for when there is an emergency. You can call 101 to report a crime that has already happened, seek crime prevention advice or make us aware of any policing issues in your local area. You can also report a number of crimes through our website using one of our online forms > <https://www.norfolk.police.uk/contact-us/report-it>. Everyday our contact and control room receives over 900 calls, many of which do not concern the police. A list of non-police related calls we received last year, and advice about the agency that should have been contacted can be found on our website > <https://www.norfolk.police.uk/contact-us/101-when-call>.
